

Rippin' Kittin

Golden Boy

Mommy, can I go out and kill tonight?
I feel, I feel like taking a life.
Please, I want to seal the kitchen knife
And feel, feel like taking a life

[Chorus:]

Rippin kittin kidding on the round
Rippin kittin kidding on the round

Daddy, can I go and haunt tonight
Like you do on Sunday mornings
Honey, give me a real gentle knife
To feel, feel like taking my life

[Chorus: Repeat 2X]

Mommy, can I go out and kill tonight?
I feel, I feel like taking a life
Please, I want to seal the kitchen knife
And feel, feel like taking a life

Rippin kittin kidding on the round
Mommy, daddy, please let me go
Mommy, daddy, please let me go
