

# Give Your Heart A Break

## Fifth Harmony

Normani:

The day I first met you  
You told me you never fall in love  
But now that I get you  
I know fear is what it really was

Ally:

Now here we are

So close yet so far  
Haven't I passed the test?

Lauren:

When will you realize  
Baby I'm not like the rest

Fifth Harmony:

Don't wanna break your heart

Wanna give your heart a break

I know you're scared it's wrong

Like you might make a mistake

There's just one life to live

And there's no time to wait, to waste

So let me give your heart a break, give your heart a break

Oh, yeah yeah

Camila:

When your lips are on my lips

And our hearts beat as one

Dinah:

But you slip out of my finger tips

Everytime you run

Fifth Harmony:

Don't wanna break your heart

Wanna give your heart a break

I know you're scared it's wrong

Like you might make a mistake

There's just one life to live

And there's no time to wait, to waste

So let me give your heart a break, give your heart a break

Let me give your heart a break, your heart a break

There's just so much you can take

Give your heart a break, let me give your heart a break,

Your heart a break, oh yeah, yeah
