

Teach Me Tonight

Bette Midler

Did you say, I've got a lot to learn
Well don't think I'm trying not to learn
Since this is the perfect spot to learn
Teach me tonight Starting with the ABC of it
Right down to the XYZ of it
Help me solve the mystery of it
Teach me tonight The sky's a blackboard high above you
If a shooting star goes by
I'll use that star to write "I love you" (Love you)
A thousand times across the sky One thing isn't very clear, my love
Should the teacher stand so near, my love
Graduation's almost here, my love
Teach me tonight I'll use that star to write "I love you"
A thousand times across the sky
One thing isn't very clear, my love
Should the teacher stand so near, my love Graduation's almost here, my love
Teach me tonight
I'll love you if you only let me
So come on teachers pet me
And teach me we're alone, so teach me
Teach me tonight
Tonight
