

# The Big Picture

## Y Kant Tori Read

Someone smashed my window  
Broke into my brand new car  
    Last night  
Caught my boyfriend looking  
    At another slender  
        Pair of thighs  
    Gotta make more money  
Gotta get gotta get there faster than  
    The rest  
    Knock 'em off the ladder  
        If they even seem to  
    Stand a chanceThe big picture  
    Gotta big white cloud  
        The big picture  
        Is starin' at me  
Starin' at meWhy do I feel so threatened  
    That somebody else will  
        Take what's mine  
        Babe it's only rented  
    No one really owns the  
        Merchandise  
    What about what I want  
Somehow it got lost somewhere  
    Inside  
    My mother's on my case  
        I told her it's my life  
Well, she just diedThe big picture  
    Gotta big white cloud  
        The big picture  
        Starin' at me  
        Starin' at me  
        The big picture  
    On a big blank wall  
        The big picture  
        Is starin' at me  
Starin' at meWhen I can see  
    I'll try again  
        I've got my paints  
The big picture...The big picture

Gotta big white cloud  
The big picture  
Starin' at me  
Starin' at me  
The big picture  
On a big blank wall  
The big picture  
Is starin' at me  
Starin' at me
