

# Returning To The Fold (Live on KEXP)

## The Thermals

I regret leaving my soul  
I forgot I needed it, to feel  
Maybe when I die  
I'll just grab it real quick  
I'm coming right back I regret leaving my mind  
I forgot I needed it, to think  
And maybe to keep me alive  
Can't believe I got so far with a head so empty But I still have eyes  
Wait for me  
Wait for me But I still have feet  
Wait for me  
Wait for me I regret leaving it all  
I forgot I needed God, like a big brother  
And maybe when I die  
Yeah when I die  
I will die escaping  
I will die returning to the fold But I still have eyes  
Wait for me  
Wait for me But I still have feet  
Wait for me  
Wait for me But I still have faith  
If I ever had faith  
Wait for me  
Wait for me
