Communions

I've got all these questions
And they ain't getting any answers
I always needed pills to forget my head
It's hard to lie inside and stay in bed
I took two to get me through another nightI'll talk
While we walk
And you'll cry
And I'll crumble
You'll run
And I'll come
And we'll laugh
If I stumbleI can hear you calling
Every time I'm falling
Words keep coming up like oh oh oh
Today, I wish that I could say
Say what I want to say
And go where I want to go
Oh oh oh oh
And let you know what you ought to knowEverything's a double feeling
Because I'm so sideways
And now nothing's gonna change anything
Things will stay the way they've always been
Fast forward just to prove I'm rightI'll talk
While we walk
And you'll cry
And I'll crumble
You'll run And I'll come
And we'll laugh
If I stumble
I can hear you calling
Every time I'm falling
Words keep coming up like oh oh ohToday, I wish that I could say
Say what I want to say
And go where want to go
Oh oh oh oh
And let you know what you ought to knowToday, I wish that I could say
Say what I want to say
And go where I want to go
Oh oh oh oh

And let you know what you ought to know
