Come With Me

One Voice

1st verse:
I got a call, a telephone call today
Somebody's offing a job a thousand miles away
I wanna take it, it's the opportunity of a lifetime
But I need a second opinion other than mine
So i, I'm turning to you, because you always seem to know what to do
When times like these arise
I call on my only true friend in the world, my world
Chorus:
So i, I want to know
If you really want me to go
And if so, are you coming with me
I, I want to know
If you really want me to go
And if so
Come with me...
2nd verse:
I never wanted it as much as I want you with me

You were the one who said to follow my dreams
Of having a house, a car, a view of the stars
And a beautiful life
So I need someone I can go with
I need someone in my life
So i, I'm turning to you
Because you always seem to know what to do
When times like these arise
I call on the only real love of my life
You are my life, you are my life, my life, my life
(chorus)
I need you to...
Come with me, oh come with me
Come with my baby
Come with me, yeah.....
Come with me
Come with me
Come with me
Come with me
