

Where Do We Go

[Matt Stamm](#)

Sometimes it's hard to face the day
And well I know it makes no difference anyway
Sometimes I'm feeling so unsure
That I don't know what it is I'm living for

They talk about the end of days
There's gotta be a better way

CHORUS: Looking at the stars painted on the sky
Where do we go
Where do we go from here
Summer turns to fall and I wonder why
Where do we go
Where do we go

People looking for a dream
In a world where nothing's what it seems
Does anybody understand
That it's all just a footprint in the sand

They talk about it every day
But nothing ever seems to change

CHORUS

I won't stand down
No and I, I won't shut up
If it's all I got, it's all I got

CHORUS
