Lightspeed

Twin Atlantic

Step back into the river, float away
Realize I want to raise the game
Want to raise the game

Call them out into the streets, face the wall
Decide I want to run away
Want to run away

My hands are only extensions
We walk, we make each other away
Lightspeed, lightspeed
Theyâ€™re never gonna get us all,
Theyâ€™re never gonna set us free
Lightspeed, lightspeed
Theyâ€™re never gonna get us all,
Theyâ€™re never gonna set us free

You and I were meant to be, we're fusing fate
Together weâ€™re making history
Making history

And mail it off to save the coast
And Iâ€™m in line, Iâ€™m in line for,
The overdose, the overdose

My hands are only extensions
We walk, we make each other away
Lightspeed, lightspeed
Theyâ€™re never gonna get us all,
Theyâ€™re never gonna set us free
Lightspeed, lightspeed
Theyâ€™re never gonna get us all,
Theyâ€™re never gonna set us free

We move, we move at night
Along, together, together we might
Just move as fast as light

My hands are only extensions
We walk, we make each other away

Lightspeed, lightspeed
Theyâ€™re never gonna get us all,
Theyâ€™re never gonna set us free
Lightspeed, lightspeed
Theyâ€™re never gonna get us all,
Theyâ€™re never gonna set us free
