Long Goodbyes (Remastered 2023)

Camel

Down by the lake
Warm afternoon
Breezes carry children's balloons
Once upon a time
Not long ago
She lived in a house by the grove
And she recalls the day
When she left home

Long goodbyes
Make me so sad
I have to leave right now
And though I hate to go
I know it's for the better
Long goodbyes
Make me so sad
Forgive my leaving now
You know I'll miss you so
And days we spent together

Long in the day
Moon on the rise
She sighs with a smile in her eyes
In the park
It's late after all
She sits and stares at the wall
And she recalls the day
When she left home

Long goodbyes,
Make me so sad
I have to leave right now
And though I hate to go
I know it's for the better
Long goodbyes
Make me so sad
Forgive my leaving now
You know I'll miss you so

And days we spent together
