

# Long Goodbyes (Remastered 2023)

## Camel

Down by the lake  
Warm afternoon  
Breezes carry children's balloons  
Once upon a time  
Not long ago  
She lived in a house by the grove  
And she recalls the day  
When she left home

Long goodbyes  
Make me so sad  
I have to leave right now  
And though I hate to go  
I know it's for the better  
Long goodbyes  
Make me so sad  
Forgive my leaving now  
You know I'll miss you so  
And days we spent together

Long in the day  
Moon on the rise  
She sighs with a smile in her eyes  
In the park  
It's late after all  
She sits and stares at the wall  
And she recalls the day  
When she left home

Long goodbyes,  
Make me so sad  
I have to leave right now  
And though I hate to go  
I know it's for the better  
Long goodbyes  
Make me so sad  
Forgive my leaving now  
You know I'll miss you so

And days we spent together
