

# Cares (live at club eitta tokyo)

## Amorphis

Many rocks the rapid has  
A lot of billows the sea  
More plentiful are my cares  
Then cones on a spruce  
Beard moss on a juniper  
Gnarls upon a pine bark  
Knobs upon a fir  
Husks on a grass-top  
Boughs on a bad tree. Drag my cares away  
Carry off my griefs  
For no horse can draw  
No iron-shod jerk  
Without the shaft-bow shaking off  
The cares of this skinny one  
The sorrows of this black bird
