

# Tomorrow Morning

**Bob Mould**

Tomorrow morning I'll be rising  
And I keep waiting for the sun to shine  
Goodbye yesterday, I need to find a better way  
Tomorrow morning should be fine I'm not looking back, I'm so done with that  
All the sorrow and regret  
And I remember almost everything  
Watch me walk as I forget The future lies on some horizon  
So many times I had to say farewell  
I know it turns out fine, following the exit sign  
At least that's what I tell myself Tomorrow morning
