

Heart Starts

Matt Nathanson

Maybe this heart of mine is paralyzed,
'Cause b's out building rocket ships
And shooting for the skies.
I had a fucked up week that lasted years.
I landed like a cannonball,
Waiting for the crowd to cheer.

All I know is the world is filled
With broken things.
All I know, with these walls I built,
I can't get to what you need.

Don't go,
Love me 'til my heart starts.

Found a dead end girl to read my palm.
Yeah, she was into losing streaks,
So I let her take me on.
A million miles away, lost at sea,
She burned like a fire only
Drowning men could see.

All I know is the world is filled
With broken things.
All I know, with these walls I built,
I can't get to what you need.

I wanna feel it kick in.
I wanna feel it kick in.
I wanna feel it kick in
