# Grasp & Still Connect

## Paul Weller

I'm around, did you just not want me?
Hope the time will never come
I'm not out to steal your money
Wanna spend my time with youWalkin' through this world in wonder
Wonder if I'll ever change
I can say I look at you grow up
I just don't know why you doThink of all the places I wanna go
Wanna go there now with you
I think of all the places I've been to
Big times that I want with youWalkin' through this world in wonder
Wonder if I'll ever change
I can say I look at you grow up
I just don't know why we doGrasp & still connect
Grasp & still connect
Grasp & still connect
Grasp & still connectWe're together till the good Lord takes us
Keep it special, I love you
I'm not out to steal your money
Wanna spend some time with youWalkin' through this world in wonder
Wonder if I'll ever change
I can say I look at you grow up
I just don't know why we doGrasp & still connect
Grasp & still connect
Grasp & still connect
