Until It's Time For You To Go

Elvis Presley

You're not a dream, you're not an angel, you're a woman
I'm not a king, just a man, take my hand
We'll make a space in this lives that we planned
And here we'll stay until it's time for you to go
Yes, we're different worlds apart, we're not the same
We laughed and played at the start like in a game, oh Lord
You could have stayed outside my heart but in you came
And here you'll stay until it's time for you to go
Don't ask why

Don't ask how
Don't ask forever
Lord love me, love me, love me, love me now
This love of mine has no beginning, it has no end
I was an oak now I'm a willow and I can bend
And tho' I'll never in my life see you again
Here I stay until it's time for you to go
Oh yes, I'll stay until it's time for you to go
