

# When Christmas Is On the Heart

[Aron Wright](#)

Carols are ringing, through frosted windows tonight  
Whilst children are dreaming in colours of christmas lights  
Lovers are kissing, in sweaters and scarfs  
When christmas is on the heart  
Oooh, oooh, ooh, oooh  
Oooh, oooh, ooh, oooh  
Lovers are kissing, in sweaters ans scarfs  
'Cause it's a wonderful feeling, it doesn't matter who you are  
When christmas is on the heart  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
