All In My Head (Flex) [feat. Fetty Wap]

Fifth Harmony

[Chorus: Dinah]
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing
It's all in my head[Verse 1: Fetty Wap]
I wanna flex with you baby
I'm tryna chill with you
Throwing bills at you
While we flexing boo, baby
Show me different moves
And I love your groove
Cause it's meant to be baby
Ayy, make history baby
And you the one for me
And I'm the one for you
So just flex with me, baby[Verse 2: Ally]
Curtains like life's closing in all around us
Dimming the lights just so that they don't blind us
So tongue and cheek when we're laying on roses
But you're touching my skin and it's leavin' me hopeless[Pre-Chorus: Lauren]
I wanna feel you un- feel you under my body
I wanna feel you un- feel you un[Chorus: Dinah & Normani]
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing
It's all in my head
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing
It's all in my head, yeah[Verse 3: Camila]
Curtains like waves closing in all around us, yeah
Dimming the lights just so that they don't blind us, ha, no, no
So tongue and cheek when we're laying on roses
But you're touching my skin and you're leaving me hopeless[Pre-Chorus: Lauren]
I wanna feel you un- feel you under my body
I wanna feel you un- feel you un[Chorus: Dinah & Normani]
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing

It's all in my head
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing
It's all in my head, yeah[Verse 4: Fetty Wap]
I want you to come flex with me, baby
You got what I want and I need it
Said you're a bad motherfucker and I'm sayin'
They can't play with us and you know it
Take a hundred thousand and blow it
Ayy, another hundred tho' and I love her
Ayy, come flex with Zoo till it's over
Ayy, come flex with Zoo till it's over[Pre-Chorus: Lauren]
I wanna feel you un- feel you under my body
I wanna feel you un- feel you un[Chorus: Dinah & Normani]
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing
It's all in my head
Flex, time to impress
Come and climb in my bed
Don't be shy, do your thing
It's all in my head, yeah[Outro: Fetty Wap & Normani]
I wanna flex with you, baby
Hey, it's all in my head (it's your thing, baby)
It's all in my head
I wanna flex with you, baby
It's all in my head (baby)
