

Miracles

Jefferson Starship

If only you believe like I believe, baby
Weâ€™d get by
If only you believe in miracles, baby
So would i
If only you believe like I believe, baby
Weâ€™d get by
If only you believe in miracles, baby
So would i.

I might have to move heaven and earth to prove
It to you, baby
So weâ€™re makinâ€™ love and you feel the power
And I feel the power
Then thereâ€™s really nothing that we canâ€™t do
If we wanted to, baby
We could exist on the stars
Itâ€™d be so easy
All we gotta do
Is get a little faith in you
Oh, Iâ€™ve been (to) so many places
Iâ€™ve seen some things
I know, love is the answer
Keeps holding this world together
Ainâ€™t nothing better
Ainâ€™t nothing better
And all the answers to our prayers
Hell , itâ€™s the same everywhere, baby
Nothing ever breaks up the heart
Only tears give you away
Then youâ€™re right where I found ya
With my arms around ya

Oh baby, baby, baby, love is a magic word, yeah
Few ever find in a lifetime
But from that very first look in your eyes
I knew you and I had but one heart
Only our bodies were apart
That was so easy, so easy
I had a taste of the real world

When I went down on you, girl.

If only you believe like I believe, baby
Weâ€™d get by
If only you believe in miracles, baby
So would i
If only you believe like I believe, baby
Weâ€™d get by
If only you believe in miracles, baby
So would i.

I can hear windmills and rainbows
Whenever youâ€™re talkinâ€™ to me
I feel like swirling and dancinâ€™
Whenever youâ€™re walking with me
You ripple like a river when I touch you
When I pluck your body like a string
When I start dancinâ€™ inside ya
Oh baby, you make me wanna sing
Yeah, baby, baby, baby, baby
Oh yeah, all right
Baby, weâ€™re sure doinâ€™ it tonight
Everytime you come by, let me try
Pretty, please sugar on it
Thatâ€™s how I like it
I canâ€™t even believe it, with you
Itâ€™s like having every dream I ever wanted
Come true
I picked up your vibes
You know it opened my eyes
But Iâ€™m still dreaminâ€™ yeah
And youâ€™re right where I found ya
With my arms around ya.
