One Sweet World

Dave Matthews & Tim Reynolds

Nine planets round the sun
Only one does the sun embrace
Upon this watered one
So much we take for granted
So let us sleep outside tonight
Lay down in our mothers arms
For here we can rest safely
If green should slip to grey
But our hearts still bloody be
And if mountains crumble away
And the river dry would it stop the stepping feet
Take all that we can get
When its done
Nobody left to bury here
Nobody left to dig the holes
And here we can rest safely
One sweet world
Around a star is spinning
One sweet world
And in her breath Im swimming
And here we will rest in peace
