

# I Don't Want To Miss Mississippi

## Jack Teagarden

I don't want to miss Mississippi anymore  
I don't want to miss Mississippi by the shore  
I wanna go there, I wanna go where  
life was heavenly before

I don't wanna dream  
about the river I adore  
I don't wanna dream  
dreams don't help me anymore  
I've got a shack there  
I'm going back there  
Where the 'sippi meets the shore

Say, I'm homesick, got the blues  
Call it anything you choose  
But this yearning 'bout returning  
is something I can't lose

I don't want to miss Mississippi anymore  
I don't want to miss  
all the folks I'm longing for  
I'm tired of roamin', I long for homin'  
Mississippi by the shore
