Runaway

Nb Ridaz

S.I.N
I would give my life for you. You mean the world to me. Baby, baby, baby, baby,
Babe oh oh oh oh oh oh oh.... you know I love you.(ah come on yeah,yeah) I wanna be together
We can runaway.(its nb-ridaz) just me and you.(same click new title)just
You and me. Will you runaway with me.
The day that I wrote these words for you, I cried. I could've died that day. A happy and
Complete man cause in the palm of my hands everything that I dream for more and
You know that I'm down for yours forever in life the reason that I made you my
Wife is because you seen me for me. the real me and love me unconditionally and
Even with the circumstances that I had you still gave me a chance and that's why I
Live and breath for you and the kids and you give me more then this fame could
Ever give me. And now my life is satisfied and complete, visions are coming true
Yeah of me and you. Placing rings on each other finger saying I do. You stuck
With me through my thick and thin. To go back live life over again nah this is
My destiny it was worth the agony to get the ecstasy
We can runaway and spend some time.I'll always be the one right by your side. Tell the
Whole world you belong to me. You are me everything. oh..... I want
Runaway with you. do, do, do, ... (chorus)
I never ever met a shorty that was quite like you. And even though it was

Wrong I fell in love with you. Now we sit here not knowing really what to do.
But I'm sure that you know that I'll give the world to you. If I could runaway
With you, I even think twice. I promise girl I put it all on the line. I know
forever seems to be a long time. But that's what I'm seeing when I look
Into your eyes. And it don't matter what your friends might say. Cause I know
deep inside you feel the same way. You can tell me what you want. But I
Could read your mind. So quit lying to yourself. And put your hand in mine. I
Get excited every time you come close. And being right here with you is
What I love the most. So any time that you're feeling lonely inside, we can
Runaway together leave this world behind.
(chorus)
Waking up in the morning and you are still not there. Can't we runaway and
Escape somewhere. Missing your soft touch your lips next to mine, holding up
Your hands as you look in my eyes. What must have happened to love that we both felt
inside. Emotions were strong and the feeling was right. Now we don't speak
Anymore. You went your own way. If that's what love's about then I was mislead.
Go head and take your time. If that's what you need, my love for you
Is forever my heart for you bleeds. Things happen for a reason. So I ask
Myself. Should I be strong or wait or move on to someone else I know you

Still love me. I can feel it inside you always keep it real no games no lies if
You ever feeling lonely feel the need to get away
Call me up I'll be there together we will runaway, girl.
