

# Hijinx

## Neil Hamburger

I just found out  
It's been too long now  
The word is out The time before didn't they take us hook and punker?  
Their 'Jive alive' lines  
They were funk  
They were hi jinx, hi jinx, hi jinx tonight  
We all know better but we just might Pullin' this off it's gonna take some  
Big time schemin'  
Take a fast tap dance, our feet'll be steamin' Ooh hi jinx, gotta hi jinx, hi jinx alright  
Hi, hi, hi jinx, yeah, yeah  
Who's who?  
Who's who? You never know, no no  
Behind the lines  
Who's gonna show The scandal high's been buzzin' through the mayhem  
Tonight the word, we heard is  
It might be them Woo hoo boy hi jinx  
They were hi jinx, hi jinx tonight  
Hi, hi, hi jinx, yeah, yeah, yeah  
Who's who?  
Who's who? Alright
