Burn the books

They've got too many names and psychoses
All this incriminating evidence would surely haunt me
If someone broke into my houseSuits in the living room
Do you realize guys I was born in 1974?

We've got someone here to explain your publishing
We know how much you love to be in front of audiencesHopeful you are
School bound you are

Naive you are

Driven you areTake a trip to New York with your guardian and your fake identification When they say, "Is there something, anything

You'd like to know young lady?"

You said, "Yes I'd like to know what kind of people I'll be dealing with"Precocious you are Headstrong you are

Terrified you are

Ahead of your time you areDon't mind our staring but we're surprised you're not in In a far-gone asylum

We're surprised you didn't crack-up, Lord knows that we would've We would've liked to have been there but you keep pushing us awayResilient you are

> Big time you are Ruthless you are Precious you are
