Giggs

Well, people gon' be people, ain't nobody gon' change  
We can keep it peaceful if we leave it the same if  
Don't go there, don't go there  
Don't go there, no don't go there People gon' be people, ain't nobody gon' change  
We can keep it peaceful if we leave it the same  
If you don't go there, don't go there  
Don't go there, no don't go there You don't know where, where my people comin' from  
'Cause you don't go there, we're jus tryna get doe here  
Feds on our case so we're movin' mad low here  
Yeah, but shit's movin' mad slow here Brown went dead so I invested in coke shares  
I started seein' shit so clear, all courtesy of a coke square  
And we gotta keep a strap in tha house  
'Cause we the niggas that bragging black gang in the south So what's these other niggas yapping about  
Talk shit around here, get a slap in tha mouth  
Niggas know me, I always swagga it out  
The true religion jeans might be matching the round  
But seeing is believing 'cause I'm smashing them out Well, people gon' be people, ain't nobody gon' change  
We can keep it peaceful if we leave it the same if  
Don't go there, don't go there  
Don't go there, no don't go there People gon' be people, ain't nobody gon' change  
We can keep it peaceful if we leave it the same  
If you don't go there, don't go there  
Don't go there, no don't go there I'm tryna make this rap shit work  
'Cause I'm getting tired of the moving packed shift work  
So let me rap a quick spliff first then link BOB  
Then I slap a quick sick verse I'm fed up of trapping, I'm disturbed  
Rapping these packets and bagging this shit dirt  
So tell me what the fucks all this shit worth  
Rollin wiv niggas that back it and pitch nerds You think I wanna be on this shooter shit  
But niggas hate and money is the root of it  
And if a nigga wants to try and mercy me  
And I got the strally on me, I'ma shoot dis shit Thath's ma life and I'm used to it  
Yeah, I know that's sum stupid shit  
So if you don't go there keep it peaceful  
It might die down a little bit so let my people live Well, people gon' be people, ain't nobody gon' change  
We can keep it peaceful if we leave it the same if  
Don't go there, don't go there  
Don't go there, no don't go there People gon' be people, ain't nobody gon' change  
We can keep it peaceful if we leave it the same
