

So Close

Alice In Chains

Why are we here again?
It's the same old sit down roll around chewed up pen Nothin' thrilling me too much, yeah
Nothin' thrilling me too much, yeah
Nothin' thrilling me too much, yeah
Nothin' thrilling me Yeah, so close now
Yeah, so close now Man, I nearly snapped my twig
Then again I nearly snapped a few of you So I hear you think highly now
So I hear you think highly now
So I hear you think highly now
So I hear you think Yeah, so close now
Yeah, so close now Why?
Why?
Why?
