Wherever We Go

Newsboys

Wherever we go, bluebirds sing
And the flowers bloom and the grass gets green
It's a curious thing
But it's just our thingWherever we go, the bees behave
In the treetops, squirrels smile and wave
It's a curious thing
And it's humblingWhere we go, little glow-worms glow
Little roadrunners run ahead
Gonna tell their friends
Little mice, little men
Get 'em all excited, all invitedHands up, holler back here
Lets throw this party in gear
We brought the welcome mat
Wherever we go, thats where the party's atHands up, holler back now
We dont claim any know-how
We're giving God all that
Wherever we go, thats where the partys atWherever we go, the dumb get wise
And the crime rates drop and the markets rise
It's a curious thing
But it's just our thingBullies make nice, crooks repent
And the Ozone layer shows improvement
It's a curious thing
And it's humblingWhere we're led, all the living dead
Wanna leave their zombie mob
It's a touching scene when they all come clean
God help us, we just love our jobHands up, holler back here
Lets throw this party in gear
We brought the welcome mat
Wherever we go, thats where the party's atHands up, holler back now
We dont claim any know-how
We're giving God all that
Wherever we go, thats where the partys atThrow your hands up highHigh, throw your hands up
Throw your hands up high
High, throw your hands up
