freeloader

Ketha

I don't mind, I don't mind
I don't mind, I don't mind
I am a freeloader, I am a freeloaderI don't mind, I don't mind
I don't mind, I don't mind
I am a freeloader, I am a freeloaderI'm hungry enough
To follow you around, honeyI don't hear, I don't hear
I don't hear, I don't hear
I am a free thinker, I am a free thinkerI'm empty enough
To see you as I want to, honeyI'm headed for the trees over there
If that's not a destination, I don't careI don't care, I don't care
I don't care, I don't care
I'm a broken kid, I'm a broken kidI'm lonely enough
To make the air around you sweetI'm an open book, I'm an open bookI'm lady enough
To meet you secretly, honeyI'm headed for the trees over there
If that's not a destination, I don't care
