

Hawaii Dream

Mew

No more stories, no more stories, no more stories, no more stories

Are told today, told today, told today, told today

I'm sorry, I'm sorry, I'm sorry, I'm sorry

They washed away, washed away, washed away, washed away
No more stories, no more stories, no more stories, no more stories

The world is grey, world is grey, world is grey, world is grey

I'm tired, I'm tired, I'm tired, I'm tired

Let's wash away, wash away, wash away, wash away
No more stories, no more stories...
