The Scene Between

The Go! Team

We follow the river down to the sea
Showing the city we are free from the world
To the window and the world between
What we are, what we've done to
What it really means
I sing for the summer, wait for the fall
Dream on the forest, takin' it all
We're the leaves, we're the seasons
In the garden of the city never meant to careAh aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ahIf you are, if you're happy in the days we stay
If you want it keep the shadow in the milky way
From the world to the window and the world between
What we are, what we've done to
What it really meansAh aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ahIf you are, if you're happy in the days we stay
If you want it keep the shadow in the milky way
From the world to the window and the world between
What we are, what we've done to
What it really meansAh aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ah
Ah aaah ah ah aaaah ah ah
