

Teardrop

Newton Faulkner

Love, love is a verb
Love is a doing word
Fearless on my breathGentle impulsion
Shakes me, makes me lighter
Fearless on my breathTeardrop on a fire
Fearless on my breathWater is my eye
Most faithful mirror
Fearless on my breathTeardrop on the fire
Of a confession
Fearless on my breathMost faithful mirror
Fearless on my breathTeardrop on the fire
Fearless on my breathYou're stumbling in the dark
Stumbling in the dark
