Some Must Dream

Nils Lofgren

Armies play families fight
Long workday sleepless night
Some try so hard but not for the team
So some must dreamRestless souls shattered hearts
Talk of peace that never starts
Self proclaimed saviours just float downstream
So some must dream
Follow your heart yes some must dreamDreams sweet dreams dreams
Dreams sweet dreams dreams
Dreams sweet dreams dreams
Dreams sweet dreams dreams
Dream dream dream
People cry some for joy
We're not here to des-troy
Some live so poor and still shine so clean
Yes some must dream
Follow your heart yes some must dream
Dream dream some must dream
