Borderline

MC5

I'm at my borderline
I'm at my borderline
Love you girl, but I just don't know why
I, have to love you soWhen I make love to you
When I make love to you
Love is true, but I just don't know why
I, have to love you soNeed you girl, can't say why
Come on over here, love me now
You know you know, you got to know
You're movin' around, pushin' me past
My borderline, yeah yeahIt's about time
It's about time
Love you girl, but I just don't know
Why I have to love you soNeed you girl, can't you feel
I just got to know, if it's real
Big and strong, hard and fine
But you're movin' around, pushin' me past
My borderline, yeah yeahOoh, oohI'm at my borderline
I'm at my borderline
I'm at my borderline
