Bitch Like Me

Colette Carr

I got places to go, people to see
Ain't fucking with a bitch like me
Ain't fucking with a bitch like me
Ain't fucking with a bitch likeI got places to go, people to see
Ain't fucking with a bitch like me
Ain't fucking with a bitch like me
C-O-L-E-T-T-EDriving around, nonstop; it's mild, naughty
One day, this stuff'll take a toll on my body:
Lack of sleep, no time in the day to eat
Always riding in the passenger's seatI got places to go, people to see
Now you fucking with a bitch like me
A-always busy, busy
Living life, and I'm dizzy, dizzyYeah, I make shit up,
But I'm not a liar
Spittin' fire, gnarled like barbed wire
Gettin' loud, like an amplifier
Amplifier, like an amplifier'Cuz it's party time and I got confetti
Words cut hard, like a machete
So you better get ready
Cuz' I'm one confused white girl
(She thinks she's deadly)I got places to go, people to see
Ain't fucking with a bitch like me
Ain't fucking with a bitch like me
Ain't fucking with a bitch likeI got places to go, people to see
Ain't fucking with a bitch like me
Ain't fucking with a bitch like me
C-O-L-E-T-T-E18 now, got the green now
Callin' me a bitch 'cuz I'm mean now
18 now, it's nonstop,
Oh, come on, DJ, let the beat dropDropped on my head, definitely
Now the effects are effin' me
I make it rain, yes it rained
Low on energy, feelin' drainedI don't stop; it's just go, go, go
Life flies too fast to live it slow
It's a precious essence;
Every day I'm thankful for the presencePresents like gifts
Got people doin' spirals, spirits 'ill lift
Taking risks, not too cautious
Enjoy the day until we feel nauseous

Hands in the air; get obnoxious!
This life is toxic, but it's all good
I make money 'cuz I talk sick
Got them delirious
Fuckin' with this bitch and it gets seriousI got places to go, people to see
Ain't fucking with a bitch like me
Ain't fucking with a bitch like me
Ain't fucking with a bitch likeI got places to go, people to see
Ain't fucking with a bitch like me
Ain't fucking with a bitch like me
C-O-L-E-T-T-E18 now, got the green now
Callin' me a bitch 'cuz I'm mean now
18 now, it's nonstop,
Oh, come on, DJ, let the beat drop
