

As One

Hadouken!

(Verse)

The distance has gone
It disappeared with the sun
No, I wont let you down
No, I wont let you down(Bridge)
I kissed resistance goodbye
I got lost in your eyes
No, I wont let you down
No, I wont let you down(Hook)
Theres a place where I wanna be
A million miles from reality

As one

We are one(Hook 2)
Weve ignored all the warning signs
Just come with me and well cross the line

As one

We are oneWe are one!
We are one!
We are one!(Bridge)
I kissed resistance goodbye
I got lost in your eyes
No, I wont let you down
No, I wont let you down(Hook)
Theres a place where I wanna be
A million miles from reality

As one

We are oneWe are one!
We are one!(Hook)
Theres a place where I wanna be
A million miles from reality

As one

We are one(Hook 2)
Weve ignored all the warning signs
Just come with me and well cross the line

As one

We are oneWe are one!
We are one!(Hook)
Theres a place where I wanna be
A million miles from reality

As one
We are oneWe are one!
We are one!
We are one!
