Strangers Of The Heart

Heart

Through the mist on the harbor
Dancing lights on the water
Shadows move, I see you smilin' again
When I reach out to touch you
Like a ghost lookin' through me
Sendin' chills deep into me
Shattered dreams fallin' like teardrops again
As you make me remember
Strangers of the heart
Always safe with words unspoken
Strangers of the heart
Don't take chances, they'll get broken
No matter where you are
Hear me tonight
I don't want to be strangers at heart
Broken glass of my mirror
Makes my eyes see much clearer
You and I only a whisper away
Never tellin' each other
Strangers of the heart
Always safe with words unspoken
Strangers of the heart
Don't take chances, they'll get broken
No matter where you are
Hear me tonight
I don't want to be strangers at heart
Strangers of the heart
Always safe with words unspoken
Strangers of the heart
Don't take chances, they'll get broken
No matter where you are
Hear me tonight
I don't want to be strangers at heart
