

Lust for Freedom

Grim Reaper

I left the city for another life
To start it all again
All I wanted was the solitude
And time to think alonePeace and quiet seemed the only way
But I guess that I was wrong
Now I stand with gun in hand
I should have known it all alongI don't need to know what's right
Now I know I have to fightLust for freedom
Taking it all the way
Lust for freedom
Somebody's got to payLust for freedom
The future is in my hand
Lust for freedom
Everyone take a standLust for freedomI'm imprisoned, shut out from life
But I know it won't be long
There ain't no way they can keep me in
I will show them that they're wrongThe lust for freedom will see me through
Until I break the chain
You will never get a second chance
You won't mess with me againI don't need to know what's right
Now I know I have to fightLust for freedom
Taking it all the way
Lust for freedom
Somebody's got to payLust for freedom
The future is in my hand
Lust for freedom
Everyone take a standI've had enough, ain't taking no more
The time has come to break the law
If I give in I'll never get out
So I must stand, I'm breaking outI don't need to know what's right
Now I know I have to fightLust for freedom
Taking it all the way
Lust for freedom
Somebody's got to payLust for freedom
The future is in my hand
Lust for freedom
Everyone take a standLust for freedom
