

Your

The Chariot

Oh busy, busy bee,
Walking to and fro.
What if we close our eyes?
What if we don't wake up?
Oh busy, busy bee,
Walking to and fro.
What if we close our eyes?
What if we don't wake up?
Oh busy, busy bee,
Walking to and fro.
What if we close our eyes?
What if we don't wake up?
