Best Night

LMFAO - (Ft. Will.i.am, GoonRock & Eva Simons)

This is, the best night night.
This is the best, This is the best night.
This is the best, and everything's alright,
We live the best life.
This is the best night of my life.
We came to have fun right?
Feeling good, yeah we alright.
Got one night, Live one life.
We party till the sunlight.
Rockstar, not rock n' roll.
Speakers so loud they 'bout to blow
And we here together now, So we gon' tear this sucker down.
So.. What's up, what's up?
You, your friends and all of us.
If you came to party, if we came to party.
Let me see your hands go up and up.
Higher and higher we go,
Where we stop we never know.
Comon' let's escape girl,
Like up, up and away.
So c'mon let's go.
Tonight could be amazing you know.
The greatest story you ever told them.
And when it's all over,
we wanna do it all again.
Chorus
Cos' this is the best,
This is the best night.
This is the best,
This is the best night.
This is the best,
And everything's alright,
We live the best life,
This is the best night of my life.
Woah oh oh,
Oh woah oh oh oh oh oh oh.
Woah oh oh,
Oh Woah oh oh oh oh oh oh.
Woah oh oh.

Oh Woah oh oh oh oh oh oh
Woah oh oh,
This is the best night of my life.
Yeah we can do this all night.
Jc in the place and we alright.
The best night tonight,
The rest of your life.
Remember the vibe between you and I.
Get crazy, Get stupid,
C'mon baby, no excuses.
And there ain't no place I'd rather be.
Just here with you and me.
So c'mon let's go.
Tonight could be amazing you know.

The greatest story you ever told them.
And when it's all over,
we wanna do it all again.
Chorus
Cos' this is the best,
This is the best night.
This is the best,
This is the best night,
This is the best,
And everything's alright,
