She Is Beyond Good and Evil

The Pop Group

My little girl was born on a ray of sound
My little girl was born on a ray of soundSleeps on water, walks on ice (ice)
Sleeps on water, walks on ice
Got no father, immortal wife
I'd exchange my soul for her
There's no antidote for her
I'd exchange my life for her
There's no antidote for herMy little girl was born on a ray of sound
My little girl was born on a ray of soundLike a dancing flame upon a bed of nails
She's one thing that you cannot buy
With zero reasons for living
With zero reasons for livingMy little girl was born on a ray of sound
My little girl was born on a ray of soundOur only defence is to gather as an army
I hold you like a gun
Our only defence is to gather as an army
I hold you like a gunMy little girl was born on a ray of sound
My little girl was born on a ray of soundWestern values mean nothing to her, nothing to her
Western values mean nothing to herShe's the girl of my dreams
She's the girl of my dreams
She is beyond good and evil
She is beyond good and evil
She is beyond good and evil (she is beyond)
