

# Wish I Was Your Lover

## Enrique Iglesias

You know I got this feeling that I just can't hide

I try to tell you how I feel

I try to tell you but I'm me

Words don't come easily

When you get close I share them

I watch you when you smile

I watch you when you cry

And I still don't understand

I can't find the way to tell you

I wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just can't hide

Don't try to run away

There's many things I wanna say

And no matter how it ends

Just hold me when I tell you

I wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just can't hide

I wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just can't hide

All I need is a miracle

Oh, baby all I need is you

All I need is a love you give

Oh, baby all I need is you, baby, you

I wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just can't hide

I wish I was your lover

I wish that you were mine

Baby, I got this feeling

That I just can't hide

I wish I was your lover

I wish that you were mine  
Baby, I got this feeling  
That I just can't hide  
Just wanna be your lover  
Just wanna be the one  
Let me be the lover  
Let me be the one, yeah, yeah
