

Future Management (You Donâ€™t Need Nobody Else)

[Roger Taylor](#)

You won't need nobody else but me...

You'll find...

I'm gonna invite you to try my machines

Programme an offer you just can't refuse

I'm gonna invite you to share all my dreams

You've nothing to lose

Recycle your thoughts

I'll rewire your mind

I'll punch in some new points of view

To make sure you find

You've got nothing to lose

You don't need nobody else but me
