

# Bitter Metallic Side

## Kalmah

And life goes on with harmony  
Day after day those same routines  
And lifetime filled with happiness  
The most greatest joy So great is the sea so small your boat  
But you don't know if you don't row  
And so great is the sky above your blue eyes  
But you can't see behind the lies In the smallest crack of your life's track  
Is a chance for me to attack  
Now the time is right for you to say  
Your last goodbyes Face yourself, your own dreams  
I am your real demon hidden in your mind  
I'll show you my own world, I'll take you down to the  
Bitter metallic side You're lying next to me and you're too good to me  
And I think you know I can't let you go Bitter  
But don't throw away your last coin  
I have to do this all my own  
I only want you to know  
I'm buried deep down in your soul
