Charlie Wilson

Got all these hot cars and hot cribs
Ain't got nobody to share it with, baby
Know what I mean? Let's goHey girl, How you doin'

And don't forget it baby, the name is Charlie
With all of this fortune, what am I doin' single
Sometimes I tell myself, "Man, get out and mingle"
You don't have to be alone, you need someone to love
But bein famous sometimes it's hard to find someone to trust
But the hell with that this time, I'm gonna treat myself
