Hotel Room

Pit Bull

I'm all alone in this hotel room
The fear inside of me is uncontrollable
I hear the cops, see the sun, the sky is blue
And all I can think about is being with you
Guess, I'm all alone again, so
Do you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here
Do you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here
Never once did I seem to care
If I didn't have anybody near
But now I do and I don't know what to say
I feel lost in every possible way
Guess, I'm all alone again, so
Do you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here
Do you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here
Wishing I was here
Wanna call you but I know I can't call you
Wanna see you but I know I can't see you
Wanna touch you but I know I can't touch you
Wanna be inside of you
Wanna call you but I know I can't call you
Wanna see you but I know I can't see you
Wanna touch you but I know I can't touch you
Wanna be inside of you, wanna be inside of you
Do you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here

Do you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here
(Do you know the way I feel?)
Wishing I was there
(Do you know the way I feel?)
Wishing I was there
(Do you know the way I feel?)
Wishing I was there
(Do you know the way I feel?)
Wishing I was there
