

Only Love Can Hurt Like This

[Paloma Faith](#)

I tell myself you don't mean a thing,
And what we got, got no hold on me
But when you're not there,
I just crumble. I tell myself I don't care that much,
But I feel like I'd die till I feel your touch. Only love
Only love can hurt like this
Only love can hurt like this
Must have been a deadly kiss
Only love can hurt like this. Say I wouldn't care if you walked away,
But every time you're there, I'm begging you to stay
And when you come close, I just tremble. And every time, every time you go
It's like a knife that cuts right to my soul. Only love
Only love can hurt like this
Only love can hurt like this
Must have been a deadly kiss
Only love can hurt like this. Only love can hurt like this
Your kisses burn in to my skin
Only love can hurt like this. But it's the sweetest pain
Burning hot through my veins
Love is torture, makes me more sure.
Only love can hurt like this. Only love can hurt like this
Only love can hurt like this
Must have been a deadly kiss.
Only love can hurt like this. Only love can hurt like this
Your kisses burn into my skin
Only love can hurt like this. Only love can hurt like this.
Save me, save me
Only love, only love 'Cause only love can hurt like this
And it must have been a deadly kiss.
