

# Higher Plane

## Kool & The Gang

Higher, higher  
Higher, higher  
Yeah, yeah We've been down too long  
Gotta keep on liftin', liftin', liftin', liftin' you  
(High, high, high, high, high)  
Gotta keep on liftin', liftin', liftin', liftin' you  
(High, high, high, high, high)  
Nothing never remains the same Gotta keep on liftin', liftin', liftin', liftin' you  
(High, high, high, high, high)  
Gotta keep on High, high, high, high, high  
High, high, high, high, high, high  
High, high, high, high, high, high  
High, high, high, high, high, high  
Yeah, yeah Gettin' down too strong  
Gotta keep on liftin', liftin', liftin', liftin' you  
(High, high, high, high, high, high)  
Gotta keep on liftin', liftin', liftin', liftin' you  
(High, high, high, high, high, high) High, high, high, high, high

(Higher plane, higher plane, higher plane, higher plane)  
Gotta keep on liftin', liftin', liftin', liftin' you  
(Higher plane, higher plane, higher plane, higher plane)
