

Mass Pike

The Get Up Kids

I wonder when I wander home
If I'll be fit to drink alone
Sleep with my memories
Pictures, apologies For every minute yesterday
Regret reminds me anyway
If I remember anything
I'll make mistakes again Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you I will declare a holiday
The night that she turned me away
I'm drowning in my miseries
It solves everything Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you , with you Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you
