

# Bonfire Love Song

James Reid

No signal on our phones  
Leave 'em busy with a dial tone  
It's all good we don't need no one else oh yeah yeah  
Minsan lang may pagkakataon  
Enjoy mo na kahit man lang ngayon  
Now, I finally have you for myself woahTamo? Tila tumotono ang tubig ng tinig  
Habang hangin ay humuhuni ng himig  
Para paawitin ang pusong pumipintig 'Pagkat...Sa tabing dagat tayo lamang dalawa  
Go somewhere no one knows  
We're chillin' all night long  
Let love take us higher  
Sa tabing dagat tayo lamang dalawa  
With a pocket stereo, we're singin' our love song  
By the bonfire-fire  
Oh oh woah oh oh  
By the bonfire-fire  
Oh oh whoah oh oh  
Singing our love songBaby we can make smores by the shoreline  
Grab a bottle of Coors and it's all fine  
Dito ay walang makikialam woah  
Star gaze in the moonlit night sky  
Shuffle play let the music fly by  
Ang sarap lang ng pakiramdam woahTamo? Tila tumotono ang tubig ng tinig  
Habang hangin ay humuhuni ng himig  
Para paawitin ang pusong pumipintig 'Pagkat...Sa tabing dagat tayo lamang dalawa(Tayo lamang dalawa)  
Go somewhere no one knows  
We're chillin' all night long  
Let love take us higher  
Sa tabing dagat tayo lamang dalawa (Tayong dalawa)  
With a pocket stereo, we're singin' our love song  
By the bonfire-fire (By the bonfire)  
Oh oh woah oh oh  
By the bonfire-fire  
Oh oh whoah oh oh  
Singing our love songTamo? Tila tumotono ang tubig ng tinig (Tubig ng tinig)  
Habang hangin ay humuhuni ng himig (Huni ng himig)  
Para paawitin ang pusong pumipintig 'Pagkat...Sa tabing dagat tayo lamang dalawa  
Go somewhere no one knows  
We're chillin' all night long

Let love take us higher  
Sa tabing dagat tayo lamang dalawa  
With a pocket stereo, we're singin' our love song  
By the bonfire-fire Oh oh woah oh oh  
By the bonfire-fire Oh oh whoah oh oh  
Singing our love song Oh oh woah oh oh  
By the bonfire-fire Oh oh whoah oh oh  
Singing our love song
