

Hope

Blink 182

why can't you see you torture me you're already thinking about someone else when he comes home you'll be in your arms and i'll be gone but i know my day will come i know someday i'll be the only one so now you wait for his spark you know it'll turn you on he's gonna make you feel the way you want to feel when he starts to lie when he makes you cry you know i'll be there my day will come i know someday i'll be the only one call me selfish call me what you like i think it's right to want someone for all your own and not to share her love and i'll have my way and won't have to say anyway i've got you you didn't stand a chance you want perfection i see your self destruction you don't know what you want it's gonna take you years to find out i'm not giving up and when you've had enough you'll take your bruised little head and you'll come running back to me you know that i'm gonna be the only one.
